

GREEN SUPPLIER AWARD

INTRODUCTION:

IMEX and the Green Meeting Industry Council present the Green Supplier Award to recognise environmental excellence and innovation within the meetings industry. This award represents the highest accolades for environmental responsibility among meeting suppliers.

The Green Supplier Award will be presented at IMEX at the Gala Dinner. This award acknowledges success in our industry, recognising suppliers that are leading the way, earning the distinction as the best in their field.

AWARD TITLE:

Green Supplier Award

CRITERIA & ELIGIBILITY:

The Annual Green Supplier Award will recognise a meeting supplier (i.e. hotel, convention centre, convention and visitor bureau etc.) that has demonstrated innovative efforts to prevent and reduce the environmental impacts of their operations through planning, implementation and evaluation. Their commitment to environmental responsibility and changing the way they conduct business will serve as an example to others. Please see attached Nomination Information Form for further details on eligibility and application requirements. ***Please note that all nominees are required to submit information on their environmental business practices for evaluation.***

THE NOMINEES:

Meeting suppliers are encouraged to put forward their own nominations for this award, or can be nominated by others.

THE AWARD PRESENTATION:

The Green Supplier Award finalists will be recognised at a ceremony at the IMEX Gala Dinner.

THE TIMING:

Nominations must be received no later than 6 February 2009.

JUDGING PROCESS:

All applications received by the deadline will be reviewed by a committee including representatives of the meeting industry and the conservation community. Nominees will be evaluated according to the criteria set out in the Nomination Submission Information Form.

An independent environmental auditor will be contracted by IMEX to verify and report on the environmental performance and practices of the nominated suppliers. The final decision of the judges will be based on the environmental report of the environmental consultant.

GREEN SUPPLIER AWARD

NOMINATION SUBMISSION INFORMATION:

The Green Supplier Award will recognise a meeting supplier (i.e. hotel, convention centre, convention and visitor bureau etc.) that has demonstrated innovative efforts to prevent and reduce the environmental impacts of their activities through planning, implementation and evaluation. Eligible applicants

will be judged based on the following five criteria. To be evaluated nominations must include:

1. Signed and completed nomination form.
2. Summary narrative of ***how the nominee meets the following criteria***. The summary must be no more than four double-sided pages, including any associated tables and charts. Each of the following criteria must be addressed and labelled accordingly in the submission.
3. Attachments (optional). To minimise paper consumption nominees are encouraged to provide only those attachments that are essential to support their narrative. Supporting information may be requested during the verification process.

Award Criteria

Using the examples below, please indicate how you help minimise environmental impacts (please enter as many as possible putting N/A in the boxes that do not apply to you)

Award Criteria:

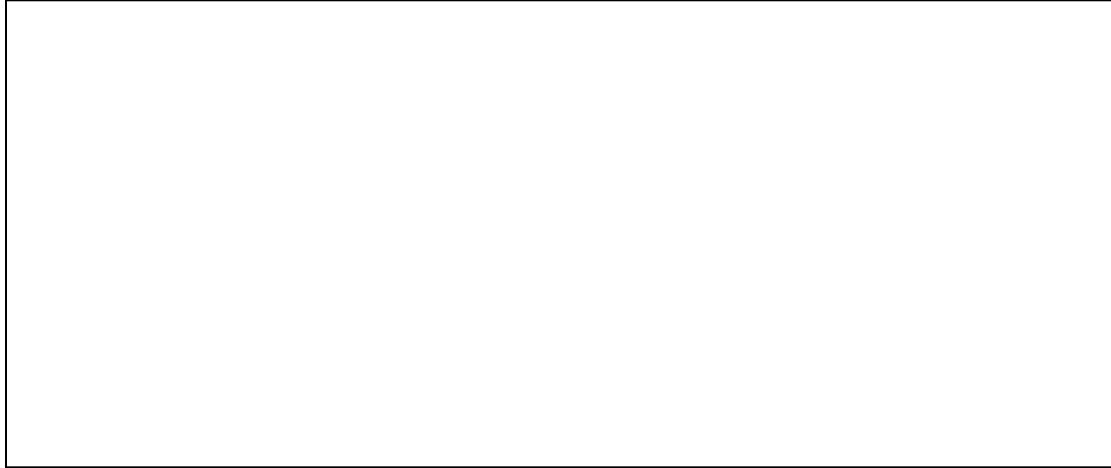

Your narrative must provide an example of how your business addresses the following criteria:

Minimising Environmental Impacts: Applicant should demonstrate innovative efforts to significantly minimise environmental impacts. Efforts will be evaluated in the following areas:

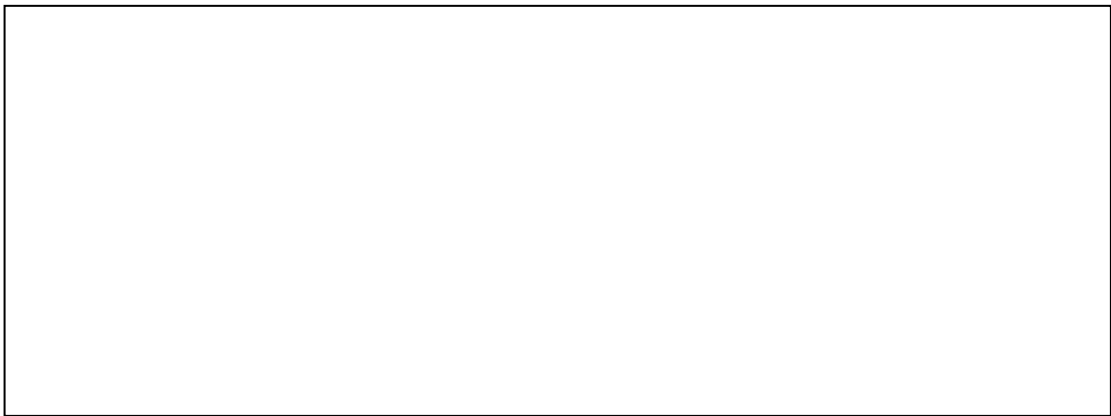

- Energy efficiency – i.e. use of energy efficient/natural lighting, occupancy sensors in meeting/hotel rooms, reduced use of air conditioning
- Air & water quality – i.e. provision of a carbon offset programme for air travel, promotion of car pooling/transit services, purchasing locally grown, organic food
- Water conservation – i.e. water conserving fixtures in guest rooms/bathrooms, provision of a linen re-use programme
- Waste minimisation – i.e. using china and linen, rather than paper catering service, and bulk rather than individual serving containers for food, communicating to clients electronically, rather than through paper methods, reducing, re-using and recycling where possible
- Environmental purchasing – i.e. giving preference to buying recycled/recyclable, non-toxic and non-hazardous materials (cleaners, office supplies, printing inks, paints etc.)

--

Economic Indicators: Applicants should demonstrate the economic impact and/or cost savings associated with their green practices, in addition to the environmental benefits.

A large, empty rectangular box with a black border, intended for applicants to provide details on their economic indicators.

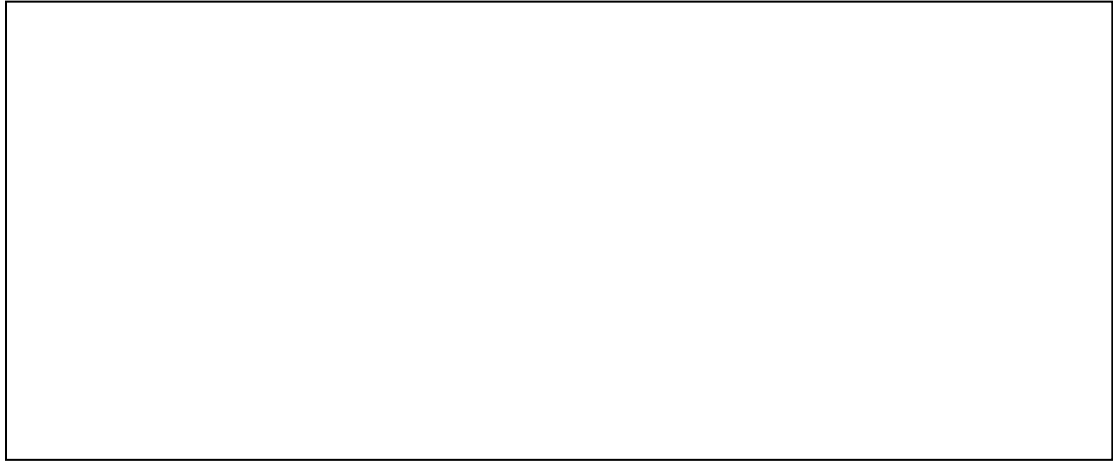

Commitment to Change: Applicant should demonstrate management and staff commitment to environmental programmes or practices and if possible how company practices have led to changes in others' behavior. This can be shown through development of environmental policies, task forces, or teams, and communication of green practices to staff/clients/public. Please also include any other environmental awards or recognition received.

A large, empty rectangular box with a black border, intended for applicants to describe their commitment to change.

Commitment to Community: Applicant should demonstrate willingness and/or efforts to integrate green programmes or practices with other businesses (i.e. meeting planners and other suppliers) and the local community (i.e. through buying locally) as well as minimise the social/cultural impacts of the activities. This may include providing a donation to conservation/community organisations, support of local organic growers by purchasing food locally, or participation in an environmental or community project.

A large, empty rectangular box with a black border, intended for applicants to describe their commitment to the community.

Commitment to Conservation: In addition to minimising environmental impacts, applicant should demonstrate a positive impact to conservation in general or positive contribution to natural areas.

A large, empty rectangular box with a thin black border, intended for the applicant to provide details on their commitment to conservation. The box is currently blank.
